

Dicyandiamide 99%

| Test | Specification | Result |
|-----------------------------|--------------------------------|-----------|
| Appearance (Colour) | White | White |
| Appearance (Form) | Powder or Crystals or Chunk(s) | Powder |
| Infrared Spectrum | Conforms to Structure | Conforms |
| Purity (Titration by HCL04) | 98.5 - 101.5 % | 100.4 % |
| Solubility (Turbidity) | Clear to Hazy | Clear |
| c = 50 mg/ml; Water | | |
| Solubility (Colour) | Colorless to Faint Yellow | Colorless |

The material complies as per above specification
